

Construction Notice

Construction activity for utility relocation will begin excavating on Maiden Lane on the east side of Stockton Street between Post and Geary streets on July 5, 2011

Contract Number 1251

Project Description

On Tuesday, July 5 Synergy Project Management, the contractor, will begin to excavate under streets in preparation for utility relocation required in the downtown area for the Central Subway Union Square/Market Street Station.

Here's what you can expect:

- Approximately 25 feet of the sewer line underneath Maiden Lane will be replaced.
- There will be no impact to the existing sidewalks on Maiden Lane or the gate, which closes off the streets.
- The contractor will always maintain pedestrian access to all stores during business hours.
- Those traveling or working in the area can expect an increase in noise, dust and traffic as a result of the construction.
